SNO Project 172

We acknowledge and pay respect to
the Gadigal People of the Eora
Nation, the traditional owners and
custodians of the land on which we
work.

We thank all the artists, composer
and musicians for their
participation in this SNO Out-of-
Gallery project at the Woollahra
Gallery at Redleaf.

This exhibition celebrates the SNO
Group, and 18 years as an Artist-
Run-Initiative.

The organisers would like to
thank the staff of the Woollahra
Council, particularly Vicki Munroe,
Jo Jansyn and Maria Lacey. They
expressed their enthusiasm at SNO
Project 170 in Paddington in 2021
and encouraged us to develop a
Covid Recovery Project as part of
the new Woollahra Gallery program.

Thanks also to the staff of
Woollahra Gallery at Redleaf and
their director Sebastian Goldspink
for facilitating the exhibition.

Laws tend to govern collections of assorted things. To gather flowers: **greek legein** - together, **greek anthos** - flower, **greek logia** - collection. As in a medley, a collection of diverse and assorted things. In particular order. Not in chaos. Laws govern the collection of things.

Sydney Non Objective | SNO is centred on artists with shared commitment, and from that centre it reaches out towards a broad, interested public curious as to how seemingly different practices, whether material, time-based or spatial, can inform and enliven our experience of the world through art.
